Our lodge offers deluxe accommodation for the most discerning traveler and fly fisher. Our bedrooms are well appointed with very comfortable queen size beds or bunks and even a deluxe suite for couples. Meals are prepared by our resident chef, either on our outdoor BBQ or in our gourmet kitchen, from sizzling mouth watering grade A cuts of steak to freshly caught shrimp and blue crabs, you'll dine and sleep like a king.

The flats off of Homosassa offer the serious fly fisher the best opportunity to land a world record Tarpon. Billy Pate was the first, landing a 188lb beast on a 16lb tippet. A new world record was set May 10, 2010 by Tom Evans, his second in the past seven years, 194.1 lbs on 12 lb tippet. Will you be the next World Record Holder? If so, make sure you bring a minimum 12 wt. rod, 300yds of #30 backing on a reel that won't burn up during the heat of the battle, the battle that on average lasts an hour and a half.

Your head guide Capt. Earle Waters is a native of Florida. Guiding in Homosassa for 32 years, Earle puts more people into world class tarpon than any other guide in Florida and maybe the world. When you read that Homosassa tarpon can be unpredictable, well let's just say, you haven't fished with Earle! Capt. Waters has a team of handpicked guides to service every angler staying at Tarpon Key Lodge.

Tarpon Key Lodge is setup equally for men or women anglers and of course couples, 20% less with two anglers sharing guide and accommodations.
